

MSCA day Tor Vergata

**5 December 2019 – “Aula 1-PP2” (tbc) Faculty of Science
Chairs: Prof. Giuseppe Palleschi and Dr. Alessandro Porchetta**

The Marie Skłodowska-Curie actions (MSCA) provide grants for all stages of researchers' careers and encourage transnational, intersectoral and interdisciplinary mobility. MSCA is expected to fund almost 2000 projects involving more than 10500 researchers in 2020.

Are you a PhD student or a Master student? Do you want to give a boost to your next career path? Are you interested in an experience abroad with a competitive salary? If the answer is YES, we are pleased to invite you to the MSCA day Tor Vergata on the 5th of December. This represents a unique opportunity to know more about the MSCA!

Welcome

- 09.30 – 09.35 Prof. Valeria Conte – Head of Chemical Science and Technologies Department
- 09.35 – 09.40 Prof. Giuseppe Palleschi
- 09.40 – 09.45 Prof. Francesco Ricci

Marie Skłodowska-Curie Actions

- 09.45 – 10.15 Emanuele Volpi, Legal Adviser, Research Executive Agency: “Overview on MSCA”
- 10.15 – 10.30 Angelo D’Agostino, NCP MSCA, APRE: “MSCA-IF”
- 10.30 – 10.40 Francesca Dominici, Danilo Aceto Zumbo, International Research Division: “MSCA at Tor Vergata”

Innovative Training Networks Contributions from ITN Early Stage Researchers

- Lokahith Agasthya, Guilherme T. Goedert, Fabio Guglietta – Department of Physics
- Aitor Patiño Díaz, Lorena Baranda Pellejero – Department of Chemical Science and Technologies
- 11.10 – 11.50 **Marie Skłodowska-Curie – Individual Fellowship
Contributions from MSCA Individual Fellows**

Alessia Amodio, Alessandro Bertucci, Tania Patiño – Department of Chemical Science and Technologies

Ignacio S. Cornago – Department of Literary, Philosophical and Art History Studies

Luca Giorgetti – Department of Mathematics

11.50 – 12.00 **Q&A**
